

# MoorMan's® ShowTec® #1 Mineral Supplement

A Supplement for Goats, Lambs, and Calves Being Fitted for Show

## Product Positioning

MoorMan's ShowTec #1 Mineral Supplement is a protein fortified mineral supplement for all species of ruminant show livestock. It is designed to be used with ShowTec complete ruminant feeds to increase protein, vitamin, and mineral levels for additional feeding flexibility.

## Features

Provides 25% protein, 1.5% fat, and 2.5% fiber

High-quality protein source

Fortified with minerals and vitamins

Approximate 2:1 calcium to phosphorus ratio

No added copper

Prospanse® yeast

Highly palatable

Non-medicated

Meal form

## Benefits

Gives show livestock diets a nutrient boost for fast, efficient lean gain and bloom.

Optimal, efficient gains; elevates amount of protein in diet.

Helps to ensure show livestock obtain minerals and vitamins needed to achieve optimal growth and structural development.

Helps lessen the likelihood of urinary calculi in male goats and sheep by ensuring a proper calcium/phosphorus ratio.

Lessens likelihood of copper toxicity in sheep.

Provides essential micronutrients to enhance feed palatability and maximize digestion.

Helps ensure show livestock consume needed nutrients.

No withdrawal; can be used with medicated feeds.

Easy to measure.

## Product Form

Meal form, 50 lb bag (11159AA).

# Instructions for Feeding

MoorMan's ShowTec #1 Mineral Supplement is a protein fortified mineral supplement for all species of ruminating show livestock. Top-dress rations for goats or lambs with ShowTec #1 Mineral Supplement at a rate of 2 oz per 100 lb of body weight per head per day, with a minimum consumption of 2 oz per head per day. Top-dress rations for calves with ShowTec #1 Mineral Supplement at a rate of 1 oz per 100 lb of body weight per head per day. ShowTec #1 Mineral Supplement should be fed during the entire feeding period to provide essential vitamins and minerals for maintenance and growth. ShowTec #1 Mineral Supplement should be fed free-choice to young nursing ruminant livestock in creep areas until weaning.

## Per Day Feeding Examples:

<b>Animal</b>	<b>ShowTec #1 Mineral Supplement</b>	<b>ShowTec Base Ration</b>
40-100 lb Goat	2 oz	ShowTec Elite Goat DC fed at 3% of body weight
50-100 lb Lamb	2 oz	ShowTec 15.5 Lamb DC fed at 3% of body weight
450-1200 lb Calf	4.5 to 12 oz	ShowTec Cattle Grower BT fed at 2.5% of body weight

## In Detail:

<b>Animal</b>	<b>ShowTec #1 Mineral Supplement</b>	<b>ShowTec Base Ration</b>
110 lb Goat	2.2 oz	3.3 lb ShowTec Elite Goat DC
150 lb Lamb	3 oz	4.5 lb ShowTec 15.5 Lamb DC
800 lb Calf	8 oz	20 lb ShowTec Cattle Grower BT

NOTE: Always provide clean, fresh water to livestock at all times. Livestock should be kept parasite free and current on all vaccinations and/or medications recommended by a veterinarian.

**CAUTION:** Follow label directions. Feeding selenium at levels in excess of 0.3 ppm in the total diet is prohibited.
