

Alliance 3-D™

A Top-Dress Supplement for Extra Dimension

A Supplement for Show Swine, Show Lambs, Show Goats, Show Calves, Horses, and Deer

Alliance 3-D is a unique top-dress energy supplement in liquid form. It contains high-quality energy sources to enhance condition and performance of exhibition livestock, horses, and deer. Components of Alliance 3-D yield a smooth, well-defined body condition along with healthy skin and a glossy hair coat. Alliance 3-D can be used to conveniently increase energy levels when feed intake is depressed during stress or during hot weather to keep show animals growing and/or performing at their peak.

- Provides soybean oil for readily available energy; flaxseed oil for Omega 3 fatty acid; and wheat germ oil for octacosanol
- Provides vitamin E for antioxidant properties that counteract harmful free radicals produced within the body; vitamin E also helps maintain cell membrane and tissue integrity and is needed for proper functioning of the immune system
- Contains an antioxidant to help maintain product stability and protect nutrients
- Available in one gallon (12079AAA74) or five-gallon (12079AAA7J) containers

USAGE DIRECTIONS

Show Swine, Show Calves, Show Lambs, Show Goats, and Deer:

Top dress 1 oz/100 lb of body weight/day or as needed for additional energy needs or body condition.

CAUTION: High levels of fat in rations can affect feed intake, growth, and performance.

Equine: 3-D may be top-dressed at the following rates:

Lactating Mare

6–8 oz/horse/day (3/4 to 1 cup)

Light Working

4–8 oz/horse/day (1/2 to 1 cup)

Heavy Working

12–16 oz/horse/day (1 1/2 to 2 cups)

Show

4–8 oz/horse/day (1/2 to 1 cup)

Note: Or, as needed for additional energy needs or maintenance of body condition.

Give Your Show Animals the Winning Extra Dimension with Alliance 3-D.
